

Topic- Geography

This term will be more geography based. The children will be learning about weather in the UK and weather around the world. They will learn all about the different weathers that we experience and how weather can be measured, monitored and reported. They will also learn about the different weathers around the world and extreme environments.

Art and Design

The children will develop their sketching and painting skills through our weather topic. They will explore colour mixing and stencilling techniques to create a CD cover for a weather music.

Other

History

The whole school will be having a Local History week to develop their understanding of how their local area has changed and developed over the past 100 years. Year 2's focus will be on how children in Leigh lived 100 years ago. Homework will continue to be given out weekly and this will be linked to weekly learning in class.

English

The children will be developing their comprehension skills. They will be learning how to answer questions from a text that they have read. The children will be reading stories from other cultures and writing alternative versions of a story. They will also be creating their own weather forecast and a non-chronological report about weather around the world.

Mathematics

In Maths, as well as practicing our 2x, 5x and 10x times tables the children will be learning about multiplication, division, measuring- money and length and also shape. Another big focus will be developing the children's ability to calculate mentally using known number facts and mental strategies.

Spring 2018

Year 2

Class Teacher: Mrs Whitton

Teaching Assistants: Mrs Davies
and Mrs Burton

Through learning and loving we will follow Jesus.

Science

During Science lessons, we will be learning all about animals including humans and plants. We will investigate how animals can be categorised and sorted and how their features determine their habitat. We will also be learning about plants and how they grow.

Religious Education

Our topics for this term will be Books, Thanks giving and Opportunities. The children will be describing and explaining how we can use the teachings of Jesus to live a Christian life. The children will also recognise, through the Easter story, the sacrifice that Jesus made to show the world God's love.
