

Topic

During our topic sessions, we will be learning about Rivers, Mountains and the Water Cycle. Children will identify and explore the human and physical features of Rivers and mountains within the UK and compare these with Rivers and Mountains In other parts of the world.

Religious Education

Our first topic will be Journeys in which the children will think about the journey of life. Following this, they will learn all about Listening and Sharing. Finally, children will learn about Giving All. A topic which focuses on the importance of giving and receiving in preparation for Lent.

English

This term, children will be writing persuasive texts. They will link this to the Topic Rivers, Mountains and the Water Cycle. They will also be writing instructions on how to make a rainwater collector to aid in helping to save our planet.

Spring 2018

Year 3

Class Teacher: Miss Wild

Teaching Assistant: Mrs Blydgen
Mr Moore

Through learning and loving we will follow Jesus.

Mathematics

This term the children will be looking at Measure related to money and Length and Weight. They will also begin to look at Fractions in lots of different ways.

Science

This Term, we are going to be learning about Forces and Magnets. This will be linked to the picture book *The Tin Snail*. The children will plan and conduct an experiment to investigate what surface material creates the least friction.

Other

Homework will be set weekly. On a Friday, the children will receive one piece of English and Maths homework from me and one piece from Mrs Seddon.

These are due back in for Wednesday the following week.
