

Topic

During our topic sessions, we will be learning all about the ancient Islamic civilisation and what was happening in Baghdad over 1000 years ago. So many exciting discoveries were made at that time! As well as this, we will continue to learn about our local history and what Leigh was like during WWII.

Other

We start this term with a bang and a test of our perseverance and determination, as well as our Have-A-Go learning power – when we visit Robin Wood.

We'll be taking part in the Let's Sing concert when we'll get the opportunity to sing in a concert with lots of other schools across Wigan and Leigh.

Homework will continue as normal for the first half term.

English

In the Spring term, we will be reading Holes by Louis Sachar and meeting Stanley and all his new friends at camp Green Lake, as well as a few enemies too. After the half term break, we'll begin our Booster sessions where we will revise all our grammar and spellings, and practise our reading and comprehension skills too.

Spring 2018

Year 6

Class Teacher: Mrs Marsden

Teaching Assistant: Mrs Seddon

Through learning and loving we will follow Jesus.

Mathematics

We will continue to work on fractions and build upon our existing knowledge from last term. We will begin comparing them to decimals and percentages as well as securing our written methods for all four operations. After the half term, we'll start our preparations for SATs and begin our Booster sessions when we revise what we have learnt and build our confidence too.

Science

We will be learning about electricity and investigating how circuits can be changed. We'll be using and understanding terminology like current, resistance and electrons. As well as this, we'll be learning about light and how we see things and finding out about a very special man, Ibn Al Hythan, who first made these exciting discoveries. Of course, we'll continue to develop our scientific skills too and be carrying out more scientific investigations.

Religious Education

Our first topic will be Community where the children will be learning about the local church as well as the global Christian family. Following this, we will begin the topics of Eucharist and Lent in which we will prepare for Easter and explore the events of Holy week further.
